

“When my adult, visiting son announced one day that “there is nothing to do” in Southwest Riverside County it occurred to me that perhaps he was correct . . . but in my journey of discovery I found the area hardly an entertainment wasteland.”

FAMILY AND FRIENDS **FUN GUIDE** TO SOUTHWEST RIVERSIDE COUNTY

THIS BOOK ISN'T JUST KID STUFF. *There's plenty of fun to be had for kids, but you don't have to have kids to use this book!* This book is unique. For the first time, Southwest Riverside County has a comprehensive guide to fun and recreation. Venues are diverse and highlight the wide range of activities available to residents young and old.

While finding free entertainment is hard to do, and it is true, many of the venues have modest (or large in some cases) fees, there are many pleasure spots that are without cost and truly worth a visit.

There is something for everyone in this listing of sites that range from balloon-

ing to wine tasting; fishing and boating; to motocross and museums. Easy-to-read, history-laced stories illustrated with colorful, photographs provide readers with insightful glimpses of the fun awaiting them.

The book is organized into convenient sections that highlight recreation venues in the cities covered. Fun sites can be found in South Corona, Hemet, Lake Elsinore, Menifee, Murrieta, Perris, San Jacinto, Temecula and Winchester. *Family and Friends FUN GUIDE to Southwest Riverside County* is a terrific compilation of enjoyable sites in the area.

- Author available for media interviews and book signings and group presentations

ABOUT THE AUTHOR

Wayne Kelly is a nationally known photojournalism educator and veteran newsman with over 45 years experience in the fields of education and newspapers.

He founded the photojournalism sequence at California State University, Long Beach in 1976. Today, his students work as photojournalists, editors and freelancers throughout the United States.
